

## Five Star Seduction (The Alexanders of Beverly Hills Series Book 4)

She knows how to seduce a man in style! Fresh out of grad school, Zaire Alexander dreams of someday becoming a major force in her family-owned chain of Beverly Hills hotels. But the heiress and self-motivated go-getter has another goal for her immediate future: seduce Tyrese Bemingham. Too bad the sexy powerhouse attorney seems just as determined to resist her. As lead counsel for the prestigious Alexander-DePaul luxury empire, Tyrese has a lot riding on this gig. But he keeps running into the exotic, strong-willed beauty, who makes it clear she's interested and available. In the etiquette of romance, dating the boss's daughter is a definite don't. And Tyrese has had enough heartbreak for two lifetimes. So why is he finding it so hard to say no, especially after Zaire's life is threatened? All he knows is he can't lose here even if it means risking everything that matters most.
