

The Forever Kiss: His Most Dangerous Weapon Is...His Kiss

THE FOREVER KISS For years, Valerie Chase has been haunted by dreams of a man she knows only as Cowboy. When she was a child, her fantasy Texas Ranger rescued her from the nightmare vampires who murdered her parents. As an adult, she still dreams of him but now has her seductive lover in nights of erotic pleasure. Yet Cowboy is far more than a dream. He's very real. And he's a vampire. For years, Cade McKinnon has protected Valerie from Edward Ridgemont, the sadistic vampire who turned him. But now, Ridgemont is determined to take her for his own, and Cade is the only one who can protect her. And he means to do just that, even if he must kidnap her to do it. When Val finds herself abducted by her handsome dream man, she's appalled to discover he's one of the vampires she fears. Now, caught in a web of fear and passion, she and Cade must learn to trust each other, even as an immortal monster stalks their every move. Their only hope of survival is ... **THE FOREVER KISS**.
