

## Trust in Me (Friends & Lovers Trilogy)

Ronis dreams of becoming a contemporary dancer were smashed under the brutal rage of her ex-husbands fists. Getting divorced and starting over at the age of twenty-two was never her plan, but maybe in Texas, she will find her path. When the town's local player, Rich, opens a Rec Center, she sees a way to rekindle her dancing dreams...and maybe have a little fun with her sexy new boss. Rich never expected to fulfill his dreams in the town he planned to leave behind, but that's just what he's doing. His reputation as a noncommittal ladies man might make it challenging to earn respect in the business world, but he's willing to prove that he's serious. In fact, when it comes to pursuing Roni, he's more than willing. But she's taking a page out of his book, not wanting to risk another relationship. Can he convince her that his playboy days are over and that she can trust him with her heart?
