

Decadent Desires: BDSM Romance Bundle

This bundle includes four scorching tales of domination and submission. **Regans Recovery:** Regan Delaney is used to maintaining total control and thrives in the corporate jungle until a health scare forces her to relax and take a vacation. **Castle Phantasie** offers the chance to unwind and to find a partner for activities she has neglected. **Dante Giodarri** is everything she could ask for, except he is definitely not submissive. Can she surrender control for the sake of pleasure? **Commanding the Billionaire:** Bernadette isn't looking for love. A child of divorce, she knows it's just a lie. Can billionaire Max, with his well-equipped dungeon, break through her steely exterior to find the soft heart that beats beneath? **Submitting to Him:** A lowly accountant in enigmatic billionaire Conrad Whites business empire, Annettes life changes forever one day when he chooses her to become his new assistant. She agrees to obey him, no matter what he asks but she soon finds out that this promise will not be easy to keep... Annette is brought into a new world of dark pleasures and unimaginable luxury, betrayal, deceit, and adventure. **Bound Innocence:** Emily attends an invitation-only beginners night at a local BDSM club, and is introduced to a world where all her fantasies come to life. When she meets demanding Damian, will all her dreams come true, or do hidden dangers await?
