

Twist of Time: A Paranormal Time Travel Anthology

Time = the fourth dimension and a measure in which events can be ordered from the past through the present into the future. But what happens when two of those dimensions collide? Six stories of love past and present: from the breathtaking fjords and conquering Vikings of Norway to the lush green isles of Ireland and its ever-battling lairds; from the white sand dunes and sculptures of Egypt and the vanquishing Roman soldiers to a simpler life in the early USA, including the iconic Route 66. Participating authors: Cheryl Alldredge, Jean Adams, Erin E.M. Hatton, Cheryl Norman, Karen Michelle Nutt, and Susan R. Sweet (Charlee Allden writing as Cheryl Alldredge)
