

Mail Order Bride: Not What He Expected (Mail Order Brides Book 1)

Lucy has missed out on the love and romance she craves and she's decided to take matters into her own hands. If love won't find her, then she will surely find love. Is becoming a Mail Order Bride a good idea or will she just find more disappointment? Will her faith in God help her be strong as she searches for the right path? Meet Levi. He's the handsome ranch owner Lucy is headed to meet. There's just one little problem. She's a little overweight and she neglected to share this detail about herself. How will Levi handle this touchy issue when they finally meet? Will he be sorry he decided to get a Mail Order Bride?

The beautiful, and equally determined Clara hits the quaint Nebraska town about the same time Lucy does and sparks fly. Who will win this cat fight? Find out which one of these women ends up with the handsome man and how she won his heart. *Not What He Expected* is the first in a series of Mail Order Brides short stories from Annie Boone.
