

First You Have to Row a Little Boat: Reflections on Life & Living

Now with a brand new foreword from New York Times bestselling author Jeffrey Zaslow. **FIRST YOU HAVE TO ROW A LITTLE BOAT** first hit shelves in the mid 1990s and has been inspiring readers ever since. Written by a grown man looking back on his childhood, it reflects on what learning to sail taught him about life: making choices, adapting to change, and becoming his own person. The book is filled with the spiritual wisdom and thought-provoking discoveries that marked such books as *Walden*, *The Prophet*, and *Zen and the Art of Motorcycle Maintenance*. For nearly twenty years, it has enchanted and endeared sailors and non-sailors alike, but foremost, anyone who seeks large truths in small things. This refurbished edition will find a place in the hearts of a whole new generation of readers.
